

 **DHBW TRANSFER
CONGRESS**

Call for Papers

We are pleased to invite you to participate in the 2nd AI Transfer Congress on 29th September 2023 in Heilbronn. We want to endeavor an ongoing exchange between researchers and practitioners to discover ideas and built cooperation to advance the use of Artificial Intelligence in all aspects of society and economy.

Talks, workshops, poster presentations and networking opportunities will focus on various aspects related to Artificial Intelligence. Submissions for talks or poster presentations are free to focus on the following topics but are not limited to:

- Theoretical Foundations of Artificial Intelligence
- Artificial Intelligence Tools and Applications
- Pattern Recognition and Machine Learning
- Ethics in Artificial Intelligence
- Smart City and Smart Systems Development
- Artificial Intelligence in Industry 4.0
- Artificial Intelligence in health care
- Artificial Intelligence in business processes and applications

Please submit your full paper with a maximum of 6-10 pages or your poster proposal as extended abstract with a maximum of 500 words to <http://easychair.org/cfp/AITC23> by June 5, 2023.

The papers will be published in Open Access proceedings. Only attendees' papers will be accepted for publication that are related to the theme of the conference and conform to the publication guidelines.

Further information including cancellation policies and updates on the program, participants' accommodation etc. will be available in due course at <https://www.dhbw.de/aitc>

Important dates:

- Full Paper Submission: 5 June 2023
- Author Notification: 31 July 2023
