

Membership application

For **full membership** (FM), you must provide proof of a professorship at the DHBW and at least two scientific publications in specialist journals in the field of higher education and educational research. In addition, you must fulfill at least two of criteria five to eight, with at least one statement each.

If you do not fulfill this requirement, we would be pleased to accept you as an **associate member** (AM). We would be grateful for information on your research activities in the following fields.

1. I apply to the IHB (Institute for Higher Education and Educational Research) for a:

☐ **full member (FM)**

☐ **associate member (AM)**

2. Please enter your name, your position and your contact details:

First and last name

Professorship / degree Program or other position

E-Mail

3. University / Location / Campus

Science and research - information on your current involvement in university and educational research

4. Please list at least two recent scientific publications - to be indicated as follows::

Authors, title, type of publication (diss., name of journal, conference, etc.), institution, DOI, publisher, place, year

table 1: Recent publications:

5. Information on relevant current research projects (at least one) - to be indicated as follows:

Project title, URL/ web address, duration, your role in the project

table 2: Current research projects:

6. Cooperation partnership with other universities and educational institutions in the context of higher education and educational research (at least one) - to be indicated in the following way:

Research colleague, topic of the research cooperation; cooperating research institution

table 3: current research cooperation partnership

7. Third-party funds you have acquired for research (at least one entry) - to be indicated as follows:

Project title; funding body (DFG, BMBF, etc.); total project budget in €; project budget for which you are responsible in €; duration: start (date) and end (date)

table 4: Third-party funds acquired

Doctorates supervised by you since 2020 (at least one) - to be indicated as follows:

Name of the doctoral candidate; topic or working title, university authorized to award doctorates

table 5: Supervised doctorates

We would be pleased if you would create your research profile in ORCID. This gives IHB members and IHB homepage visitors the opportunity to follow current research activities and publications. We

can then include your activities in the IHB annual report. To be included as a member on the homepage, the ORCID ID is mandatory. This is particularly important for applications, e.g. DFG. We also ask you, as an IHB member, to include the IHB in future publications and presentations and to use the IHB logo accordingly.
