In this way, personality profiles can be created by linking this data with other data available about you on the Internet. The data can also be used for other purposes. Archive functions of search engines (see e.g. www.archive.org) may still allow access to the data even if it has already been removed or changed from the above-mentioned university websites

Consent can be revoked at any time in the future. Consent can also be withdrawn for individual data with regard to the additional data that can be ticked. In the event of revocation, the corresponding data may no longer be used for the above-mentioned purposes in the future and must be deleted from the corresponding websites immediately. The withdrawal of consent shall not affect the lawfulness of processing based on consent before its withdrawal. If consent is not withdrawn, it shall remain valid for an unlimited period of time, but at the longest until the end of university affiliation. Die Einwilligungen sind freiwillig. Aus der Verweigerung einer Einwilligung oder Ihrem Widerruf entstehen keine Nachteile.
